To be eligible for the Card you must be:

- an Australian resident; and
- a verified QPay member with an online account.

9. SIGNIFICANT BENEFITS TO CARDHOLDERS

The significant benefits of the Card are as follows:

- you can load (or reload) value onto your Card by transferring the Withdrawable Balance of your QPay Account to your Card by using the options available under the My Account tab on the Website. You will need your verified QPay login details to perform this type of transaction;
- The Card is a prepaid, reloadable Mastercard card which means that it can be used to pay for goods and services from merchants in Australia and around the world who accept Mastercard prepaid cards including online purchase transactions;
- The Card can also be used to make contactless payments for transactions under \$100. Simply place your Card near or on the card reader. Before authorising a contactless transaction, you must check that the correct amount is displayed on the terminal.
- The Card can be used to withdraw cash at participating ATM's who accept prepaid Mastercard cards around Australia and all over the world;
- The Card is reloadable, which means that you can load value to it as many times as you like during its currency and within the applicable limits set out in 15.8; and
- you can access only the value that you have loaded to the Card. It is not a Credit Card.

10. SIGNIFICANT RISKS TO CARDHOLDERS

Some of the risks that may be associated with the use of the Card are outlined below. The risks described are intended to be a summary of the major risks associated with the Card and are not exhaustive. There may be other risks that relate to the use of your Card.

Significant risks to cardholders are:

- the ability to access the Stored Value on the Card is ultimately dependent on QPay transferring the Withdrawable Balance from your QPay Account to EML. Accordingly, if QPay becomes insolvent or if there is otherwise a delay in the transfer of your Withdrawable Balance, there is a risk you may not be able to access the Stored Value on the Card;
- The Card will expire at the date shown on the front of the Card. You cannot access any value loaded on the expired Card;
- Unauthorised Transactions can happen using the Card if it is lost or stolen, a personal identification number ("PIN") is revealed to any other person, or as a result of fraud;
- unintended transactions can happen if electronic equipment with which the Card is being used is operated incorrectly or incorrect details are input;
- you might not be able to get your money back if Unauthorised Transactions or unintended transactions occur;
- if the electronic network enabling the use of the Card is unavailable, you may not be able to undertake transactions or get information using the Card;
- your card could be lost, destroyed or stolen;
- the Financial Claims Scheme does not apply in relation to the Card or your Available Balance.

11. IMPORTANT INFORMATION ABOUT THE FINANCIAL CLAIMS SCHEME

The Financial Claims Scheme is a scheme administered by the Australian Prudential Regulation Authority (APRA) to protect depositors of authorised deposit-taking institutions from potential loss due to the failure of these institutions. It provides depositors with a guaranteed protection, up to a cap. As at the date of this PDS, the Financial Claims Scheme applies to deposits only. It does not extend to prepaid card products (including the Card). The Financial Claims Scheme does not protect any Available Balance held on your Card.

For more information, see APRA's website at: <http://www.apra.gov.au/crossindustry/fcs/Pages/default.aspx>

12. YOUR TAX LIABILITY

You should get your own independent tax advice in relation to the impact your use of the Card may have on your personal tax liability as EML has not taken into account your individual circumstances or needs when arranging for the distribution of your Card.

13. OTHER IMPORTANT INFORMATION

There are some other important things you need to be aware of about the Card:

- it does not generate any interest or other return to the holder. In other words, you do not earn interest on the value loaded to the Card;
- value loaded on your Card from the QPay Account will usually become available for use by you immediately for in-person transactions and card not present transactions;
- press the Credit button at point of sale terminals and ATM's in order to access the Available Balance; and
- the method of communication EML will use to give you information, including information under the ePayments Code, will be Electronic Communication.

14. PROBLEMS OR DISPUTES

When you provide feedback to us, we have the opportunity to improve our services to you. If you have a query about the Card, you should initially direct the query to QPay.

- letting you know who is handling your complaint;
- keeping you informed of what is happening; and
- aiming to resolve your complaint within 21 Business Days.

Once your complaint is resolved, we will check with you to make sure you are satisfied with how your complaint was handled.

Where your Card is used for Unauthorised Transactions, we will seek to reverse the transaction if we can under the Mastercard Scheme Rules. Your ability to dispute a transaction or reverse an Unauthorised Transaction may be lost if

you do not notify us immediately. It is your responsibility to regularly review your online transaction history to identify Unauthorised Transactions. Under these Terms and Conditions, we may not be responsible for any loss to you if you do not dispute an Unauthorised Transaction within 45 days.

If we are unable to resolve your complaint to your satisfaction within 45 days, you may be eligible to escalate the complaint to EML's external dispute resolution service. The external dispute resolution service is:

- \$150; or
- the Available Balance; or

- the actual loss at the time that the misuse, loss or theft of a Card or breach of PIN security is reported to us, excluding that portion of the losses incurred on any one day which exceeds any relevant daily or other periodic transaction limit.

If you report an Unauthorised Transaction, we will not hold you liable for losses arising from the Unauthorised Transaction for an amount greater than your liability if we exercised any rights under the rules of the Mastercard scheme, at the time of the report, against other parties to the Mastercard scheme (for example, chargeback rights).

Important Information about Chargebacks

In some circumstances, you may be able to request a chargeback of a transaction when you have a dispute with a merchant, such as the merchant's failure to supply the goods or services you paid for.

A chargeback is a right under the Mastercard card scheme rules by which a transaction can effectively be reversed by us debiting an amount to the merchant's financial institution and crediting back to your Available Balance. We can only process chargebacks if the Mastercard card scheme rules allow us to.

If you believe that you are entitled to a chargeback, you must notify us as soon as possible by contacting EML.

The Mastercard card scheme rules impose time limits for initiating chargebacks. The time limit is generally 90 days from the date of the disputed transaction.

If you request a chargeback, we may need you to provide additional information. If we do ask you for additional information and you do not provide it within 10 days, then you may lose any rights to the chargeback and if it has already been processed, we may reverse it.

Please note that if we process a chargeback, the merchant may have rights under the Mastercard card scheme rules to have the transaction investigated further, and this can in some circumstances result in the chargeback being reversed (which means the original transaction might be reinstated by being debited to your Available Balance).

15.14. TRANSACTIONS

You acknowledge that you will not receive paper statements from us regarding the operation of your Card. Periodic statements showing the transactions on your Card and the Available Balance are available on the Website.

Provided you have registered your Card, it's balance and transaction history will be made available 24 hours a day, 7 days a week, through the Website and can be accessed as instructed on the PIN Mailer at no charge (see section 15.4 "Using the Card").

If you notice any error (or possible error) in any transaction or statement relating to Card, then you must notify EML immediately. We may request you to provide additional written information concerning any error (or possible error) and you must comply with that request.

It is your responsibility to regularly review your transaction history to identify Unauthorised Transactions.

15.15. CARD EXPIRY

The Card is valid until the expiry date shown on it, unless it is cancelled before then.

Your Card cannot be used after expiry. You cannot access any value loaded on the expired Card unless a replacement Card is issued to you.

We may issue you with a replacement Card if requested by you at any time after expiry and provided you have registered your details with us, including your name and Australian address. We reserve the right not to issue a replacement Card to you, in which case we will return any Available Balance on your Card to you.

15.16. REPLACEMENT CARDS

If your Card is misused, lost or stolen, you should notify QPay or EML in accordance with section 15.12 so that your Card can be cancelled.

You can request QPay or EML to provide you with a replacement Card.

A replacement Card will be arranged after you notify us that your Card or Card details are misused, lost or stolen in accordance with section 15.12 and the misused, lost or stolen Card has been blocked. You will need to register and activate the new Card in accordance with section 15.4.

15.17. CARD REVOCATION AND CANCELLATION

You may ask for the Card to be cancelled at any time. If you ask for the Card to be cancelled and we ask you to, you must surrender or destroy the cancelled Card and you must not use the cancelled Card.

We may cancel your Card at any time. Where possible, we will give you 20 days advance notice of the cancellation. However, we may act without prior notice if:

- we believe that use of the Card may cause loss to you or to us; or
- we believe that it is required for security purposes; or
- you breach any material term or conditions of this PDS, including these Terms and Conditions; or
- we suspect the Card has been used illegally.

If we cancel your Card, we will give you notice as soon as reasonably practical afterwards.

We may revoke the Card at any time without cause or notice. If we ask you to, you must surrender or destroy the revoked Card and you must not use the revoked Card. When you surrender the Card, you must give us your correct name and contact address.

On the revocation or cancellation of the Card, we will pay the Available Balance to you when:

- we are satisfied that there are no un-cancelled or unexpired authorisations or approvals on your Card;
- we are satisfied that there are no further amounts that we will be debiting, or that we anticipate debiting, against the Available Balance;
- we are satisfied the funds on your Card belong to you;
- if EML require it, EML have received the surrendered or cancelled Card from you; and
- you give EML instructions to pay the Available Balance by sending it to your QPay Account.

15.18. ACCESSING YOUR AVAILABLE BALANCE IF YOU DON'T HAVE A CURRENT CARD

Whether or not you have a current Card to transact against your Available Balance, you may instruct us or QPay to pay the Available Balance by sending it to your QPay Account (Funds Redemption Request). You may be able to do this through the Website or by contacting us. We do not have to process a Funds Redemption Request until we are satisfied of your identity.

Upon receiving a Funds Redemption Request, we will pay the Available Balance to you when:

- we are satisfied that there are no un-cancelled or unexpired authorisations or approvals on the Card; and
- we are satisfied that there are no further amounts that we will be debiting, or that we anticipate debiting, against the Available Balance; and

- if we require it, we have received any surrendered or cancelled Cards from you.

15.19. LIABILITIES AND DISCLAIMERS

We are not liable:

- if, through no fault of our own, the Available Balance is not enough to cover a transaction;
- if, through no fault of our own, a terminal or system does not work properly;
- if circumstances beyond EML control prevent a transaction, despite any reasonable precautions having been taken by us;
- for any loss resulting from any failure due to events outside our reasonable control;
- for any loss resulting from any system failure or industrial dispute outside our reasonable control;
- for any industrial dispute;
- for any ATM refusing to or being unable to accept the Card;
- for the way in which any refusal to accept the Card;
- for any indirect, special or consequential losses;
- for any infringement by you of any currency laws in the country where the Card is issued or used;
- for any dispute between you and the supplier of any goods or services purchased with the Card;
- for our taking any action required by any government, federal or state law or regulation or court order; or
- for anything specifically excluded or limited elsewhere in these Conditions of Use.

However:

- your liability for Unauthorised Transactions will be determined according to the ePayments Code; and
- we will not avoid any obligation to you under the ePayments Code on the basis that another party to a shared electronic payments network (to which we are also a party) has caused the failure to meet the obligation.

Our liability in any event shall not exceed the amount of the Available Balance except in relation to:

- Unauthorised Transactions; and
- consequential losses arising from a malfunction of a system or equipment provided by any party to a shared electronic network (unless you should reasonably have been aware that the system or equipment was unavailable or malfunctioning, in which case our liability is limited to correcting any errors and refunding any fees or charges imposed on you).

If any warranties or conditions are implied because of Part 2 of the Australian Securities and Investments Commission Act 2001 or any similar law in respect of services supplied under these Terms and Conditions or in connection with the Card, then our liability for a breach of such a warranty or condition will in any event be limited to:

- the supplying of the services again; or
- the payment of the cost of having the services supplied again.

EML does not make or give any express or implied warranty or representation in connection with the Card (including quality or standard or fitness for any purpose), other than as set out in the PDS and these Terms and Conditions or when the warranty or representation is imposed or required by law and cannot be excluded.

Any failure or delay to enforce a term of these Terms and Conditions does not mean a waiver of them.

15.20. ANTI-MONEY LAUNDERING AND COUNTER TERRORISM FINANCING OBLIGATIONS

EML is subject to the Anti-Money Laundering and Counter-Terrorism Financing Act 2006 and the rules and other subordinate instruments under the Act (AML/CTF Laws). Before the Card can be activated, EML is obliged to collect

- transactions may be delayed, blocked, frozen or refused where we have reasonable grounds to believe that they breach Australian law or sanctions (or the law or sanctions of another country). Where transactions are delayed, blocked, frozen or refused, EML is not liable for any loss you suffer (including consequential loss) howsoever caused in connection with your Card;
- EML may from time to time require additional information from you to assist us in the above compliance process; and
- where legally obliged to do so, EML will disclose the information gathered to regulatory and/or law enforcement agencies, QPay, other banks, service providers or to other third parties.

You provide EML with the following undertakings and indemnify EML against any potential losses arising from any breach by you of such undertakings:

- you will not initiate, engage or effect a transaction that may be a breach of Australian law or sanctions (or the law or sanctions of any other country); and
